

Thank you for your inquiry regarding Scenic Hills Country Club hosting your event.

Food & beverage prices vary depending on your exact requirements, but meals start at approximately \$20-25 per person. We are also happy to tailor the menu requirements to suit your needs, and can work within your budget to create a custom menu.

We do allow outside food from a licensed caterer for an additional fee per person. Menu packages include a beverage station and all children four and under are complimentary. We will be happy to provide a special price/meal for children aged 5-12 also. We charge a standard 22% service charge on all events, so don't forget to include that in your budgeting. All deposits/payments must be made by cash or check. VISA, MasterCard, Discover or Amex will be accepted, but a 3.9% non-cash transaction fee applies.

We have an outdoor maximum capacity of approximately 75-100 guests on the Pavilion for Events.
