Booking protections that keep pricing fair

FORMAT DETERMINES PACKAGE

A reception, ceremony, DJ, dance floor or exclusive bar setup is booked as a social, grand event or wedding even when attendance is below the listed capacity.

PAVILION SATURDAY PROTECTION

Standalone Saturday Pavilion dates may be confirmed up to 90 days in advance. Earlier confirmation is available when management determines the date is not being held for a wedding.

MEETING-RATE PROTECTION

Meeting & Training pricing is for classroom, conference, workshop and seated-presentation layouts. It is not a substitute for a party or reception package.

HOLIDAY AND HIGH-DEMAND DATES

Holiday weekends, major golf dates and other high-demand periods may carry custom pricing, minimums or availability restrictions.

Planning and payment

RESERVE THE DATE

A signed agreement and non-refundable initial payment equal to 25% of the venue fee secure the date.

OUTSIDE CATERING

A licensed outside caterer may be considered with prior written approval. A per-person facility fee and minimum apply; Scenic Hills retains all beverage service.

CARD TRANSACTIONS

Cash or check is preferred. Credit and debit card transactions include a 3% non-cash transaction fee.

FOOD & BEVERAGE

Menus and bar service are selected separately. Minimums may apply by date, space and guest count. A 22% service charge applies to food and beverage.

PAYMENT

Venue balance is due 90 days before the event. Final guaranteed attendance and remaining event balance are due 10 business days before the event.

EVENT TIME

Listed hours are guest event time. Vendor access, decor, deliveries and breakdown must follow the approved event timeline. Additional time requires advance approval.

*Decor installation and removal are not included. **Equipment and technical support are subject to space and availability.
