EVENT SPACE & LAYOUT GUIDE

FIVE DISTINCT SPACES. ONE SCENIC SETTING.

FIND THE RIGHT ROOM FOR THE MOMENT

Use this guide to compare room character, scale and recommended setup styles. Each concept layout protects guest flow, service access and the fixed features that make the space distinctive.

SPACE	AREA	BANQUET	THEATER	RECEPTION
Grand Ballroom	2,394	175	225	250
Fairway Grille Room	1,950	100	140	150
Turn Lounge / Bar	1,200	50	—	90
Players Club Room	1,200	75	90	100
Course Pavilion	2,025	125	150	175

HOW TO USE THE NUMBERS

Capacities are conservative planning targets—not guaranteed occupancy limits. A dance floor, stage, buffet, display, registration area or expanded bar will reduce seating. Your Scenic Hills event contact will create the final plan around the event experience and required clearances.

BALLROOM

The Grand Room

EVENT SETUP VISUALIZATION

DIMENSIONS

38' x 63'

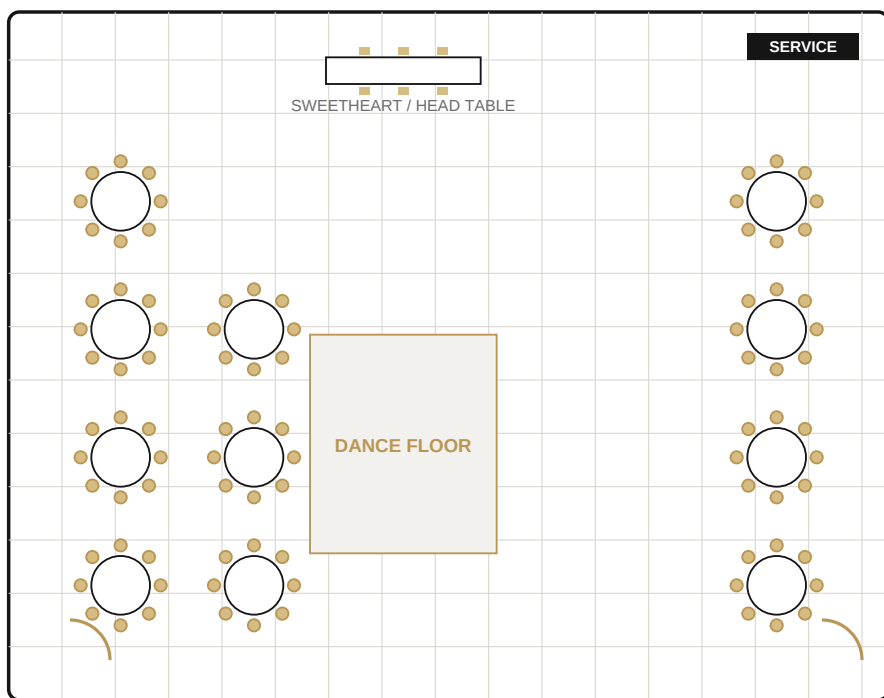

AREA

2,394 SQ FT

BEST FOR

Weddings | Galas | Awards | Large Meetings

RECOMMENDED FEATURE LAYOUT

Concept plan • not for construction

PLANNING CAPACITIES

Wedding + dance floor	150
Seated banquet maximum	175
Theater	225
Classroom	120
Standing reception	250

WHY THIS PLAN WORKS

A flexible, light-filled anchor space with direct access to adjacent gathering areas. The wedding plan protects a central dance floor and clear service routes.

PLANNING NOTE

Final capacity depends on table size, staging, A/V, buffet and bar placement, accessibility, service aisles and fire-code approval.

DIMENSIONS

30' x 65'

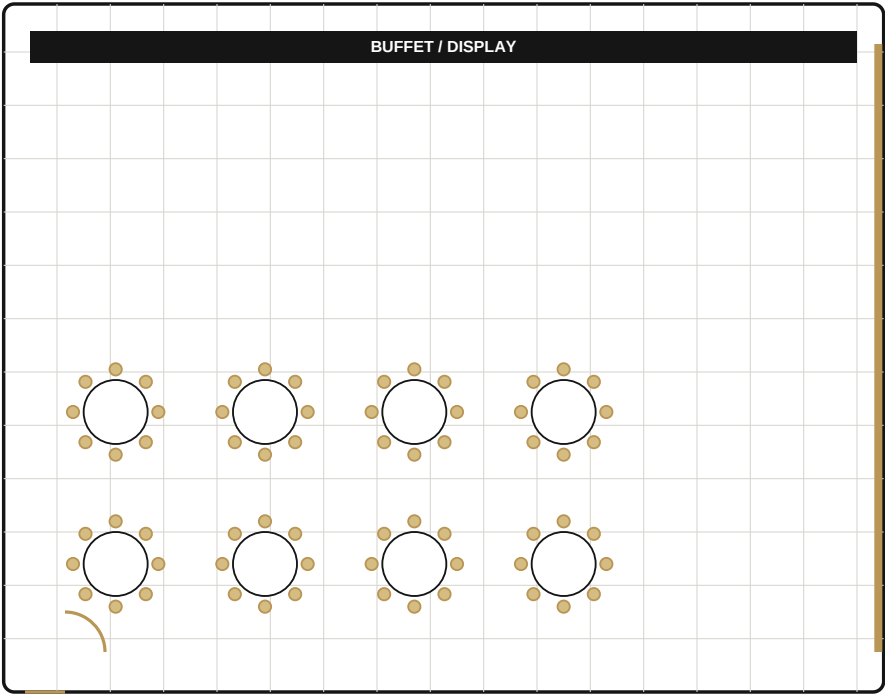

AREA

1,950 SQ FT

BEST FOR

Rehearsal Dinners | Socials | Club Events

RECOMMENDED FEATURE LAYOUT

PLANNING CAPACITIES

Seated banquet maximum	100
Crescent rounds	72
Theater	140
Classroom	72
Standing reception	150

WHY THIS PLAN WORKS

Long window walls and course views make this room ideal for dinners and social events. Layouts retain a generous center aisle and patio access.

PLANNING NOTE

Final capacity depends on table size, staging, A/V, buffet and bar placement, accessibility, service aisles and fire-code approval.

DIMENSIONS

30' x 40'

AREA

1,200 SQ FT

BEST FOR

Cocktail Hours | Mixers | After-Parties

RECOMMENDED FEATURE LAYOUT

PLANNING CAPACITIES

Cocktail reception	90
Social seating	50
Bar seating	14
Combined flow*	110

WHY THIS PLAN WORKS

The central bar is the experience. High-tops and soft seating stay at the perimeter so guests can circulate naturally on all four sides.

PLANNING NOTE

Final capacity depends on table size, staging, A/V, buffet and bar placement, accessibility, service aisles and fire-code approval.

DIMENSIONS

30' x 40'

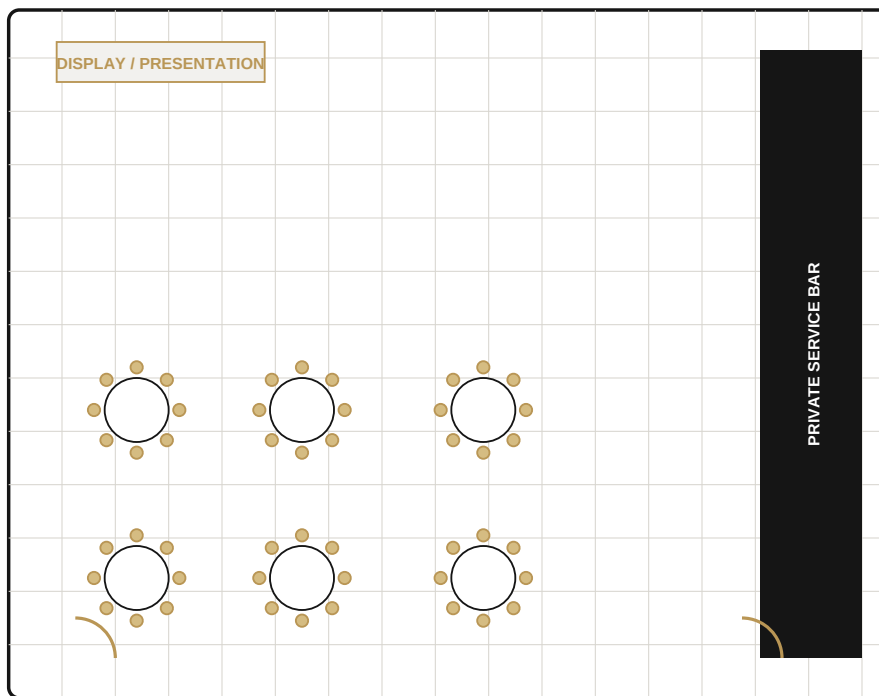

AREA

1,200 SQ FT

BEST FOR

Meetings | Showers | Family Gatherings

RECOMMENDED FEATURE LAYOUT

Concept plan • not for construction

PLANNING CAPACITIES

Seated banquet maximum	75
Boardroom	30
Classroom	48
Theater	90
Standing reception	100

WHY THIS PLAN WORKS

A comfortable private room with its own service bar, fireplace and display capability. The recommended meeting plan keeps sightlines open.

PLANNING NOTE

Final capacity depends on table size, staging, A/V, buffet and bar placement, accessibility, service aisles and fire-code approval.

DIMENSIONS

45' x 45'

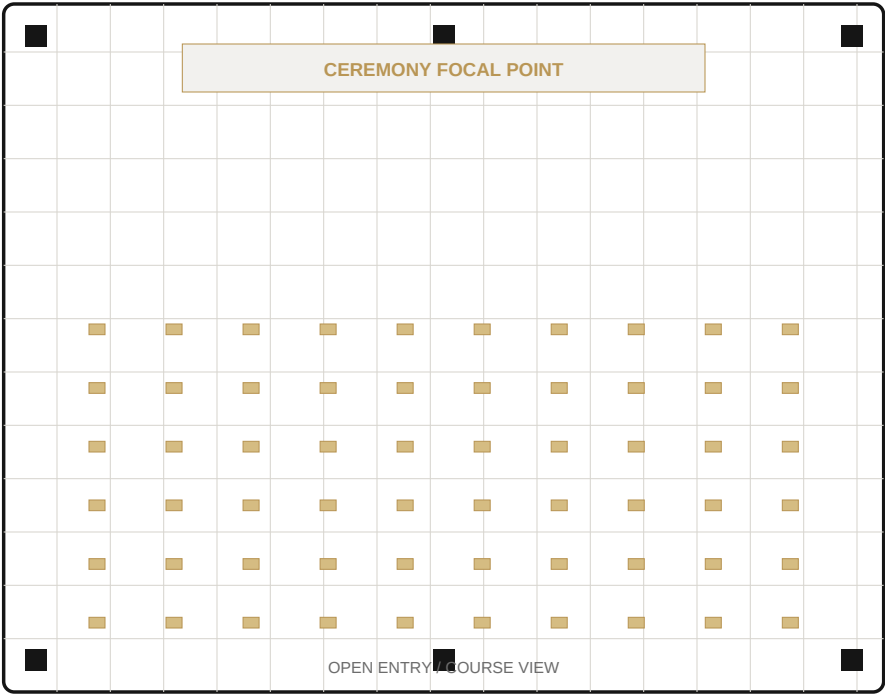

AREA

2,025 SQ FT

BEST FOR

Ceremonies | Golf Outings | Outdoor Celebrations

RECOMMENDED FEATURE LAYOUT

Concept plan • not for construction

PLANNING CAPACITIES

Seated banquet maximum 125

Ceremony 150

Picnic / social 125

Standing reception 175

WHY THIS PLAN WORKS

An open-air setting with panoramic course views. The plan preserves perimeter circulation, column clearance and a weather-flexible service zone.

PLANNING NOTE

Final capacity depends on table size, staging, A/V, buffet and bar placement, accessibility, service aisles and fire-code approval.
